Please note that there are additional resources available for healthcare professionals, such as the **Nevada Physician Wellness Coalition (NPWC)** headquartered in Reno, NV. They provide tools and resources to support physician and physician family wellbeing. They also provide a free confidential resources line for physicians or their family members with a licensed psychologist who can return calls within 24 hours. Their phone number is 775-404-3307. For more information, visit their website at: <https://www.nevadaphysicianwellnesscoalition.com>
