Dr. Mausling made a motion to approve the licensees as written; seconded by Mr. Nigam. There being no discussion, the Board approved licensure.

- V. **+CONSIDERATION/APPROVAL OF SETTLEMENT AGREEMENT AND ORDER REGARDING SCOTT GLICKMAN, D.O. (Discussion/For Possible Action)** (Board may go into closed session pursuant to NRS 241.030 to move to a closed session because the discussion will have to do with this applicant's character, alleged misconduct, professional competence, or similar items). Ronald Hedger, D.O., President

Dr. Hedger asked Dr. Glickman if he would prefer an open or closed session. Dr. Glickman chose a closed session. A motion was made by Dr. Hedger to go into a closed session; seconded by Dr. Perlotto and approved by the Board. After returning to open session, Dr. Mausling made a motion to accept the settlement agreement and order, seconded by Dr. Pancholi. The motion was approved by the Board.

VI. CONSIDERATION/ACTION REGARDING UPDATED REVISED POLICY STATEMENTS FOR CONTINUING EDUCATION AUDITS AND FINANCIAL POLICIES, (Discussion/For Possible Action) Ronald Hedger, D.O., President

Ms. Reed noted that a proposed section for investments was added to the financial policy. Mr. Ling noted that statute requires the Board to invest in a bank, credit union, and/or savings and loan located in Nevada. Statute allows for investment in a CD, if offered through a state bank or credit union. Mr. Nigam made a motion to approve the revised financial policy, seconded by Dr. Hedger. The motion was approved by the Board.

Ms. Reed noted the Board previously approved an updated Continuing Medical Education (CME) audit policy. She explained the current audit process and noted Board staff repeatedly sent communications to licensees who were deficient in CMEs to provide proof of the deficient CMEs or pay the fine. As of the Board meeting date, dozens of licensees remain in violation of the CME requirements. Discussion ensued that indicated that the proposed policy would need further consideration and revision by Board staff and Board counsel. Therefore, the item was tabled until the next Board meeting. Dr. Hedger noted such.

VII. EXECUTIVE DIRECTOR'S REPORT

- a. *Financial Statements* – Ms. Reed noted the fiscal year report for 2020-2021 is included in the packet.
- b. *Licensing* – Number of licensees continue to go up.
- c. *Board Appointments* – Dr. Pancholi and Mr. Nigam were both reappointed to the Board for another 4-year term as of July 1, 2021.

VIII. LEGAL REPORT (Discussion/For Possible Action) by Louis Ling, Board Counsel and/or Justin Taruc, Deputy Attorney General

Dr. Hedger asked Mr. Ling to report on AB471, which relates to reporting of cancer cases to a state database. Mr. Ling noted the bill passed and was effective July 1, 2021. Mr. Ling and Ms. Reed will research the new requirements and report back to the Board.

IX. LEGISLATIVE UPDATE (Discussion/For Possible Action) by Susan Fisher, Board Government Affairs/Lobbyist.

Ms. Fisher noted that she will also put together information for the Board on AB471. She noted that many legislators will not be running for re-election next year, which will create a lot of turnover of legislators for the next session. She added the Governor has selected a new Chief of Staff.

X. ITEMS FOR FUTURE DISCUSSION/ACTION/UPCOMING AGENDA

No items.

XI. PRESIDENT'S REPORT on Board Business, Ronald Hedger, D.O., President
