Mr. Dreitzer stated that the Board has been charged by a Nevada legislative bill that has been codified to create regulations for the anesthesiologist assistants that goes into effect the 1st of January. The Board had to make recommended changes to the NACs to create a license regulation for that new category of licensee. The process is the Board will hopefully approve these to be able to submit them to the Legislative Council Bureau. The Board will then have legislative workshops with the public so they can come and make comments.

Dr. Perlotto stated that the first step to this administrative rulemaking is for the Board to authorize proceeding with the regulatory adoption process as set forth in paragraphs (a), (b), and (c) above.

Executive Director Frank DiMaggio stated that paragraph (a) deals with the Governor’s Executive Order that ordered State Boards to eliminate at least ten regulations.

Ms. Fisher stated that it was Assembly Bill 270 (AB 270) from the last legislative session that requires the Board to adopt regulations pertaining to anesthesiology assistants who will be licensed by this Board. Ms. Fisher added that she did participate in the workshops that the Nevada Board of Medical Examiners held. The Board of Medical Examiners has not officially approved their regulation yet, but once they do so, they will send those proposed regulations to the Legislative Counsel Bureau (LCB) for their review.

Mr. Nigam made a motion to authorize the Board to proceed as outlined in paragraphs (a), (b), and (c) above; seconded by Dr. Janda. There being no discussion, the Board unanimously voted to authorize the Board to proceed with the regulatory adoption process as outlined in paragraphs (a), (b), and (c) above.

Such a Notice was contained in the current Board Newsletter which was posted to the Board website on or about October 19, 2023, and that an email blast containing the Notice and Board Newsletter was sent out to active licensees around the end of October 2023. Executive Director DiMaggio stated he has not received any feedback regarding the Notice. Executive Director DiMaggio stated that we are still working to open the licensee search portal and the complaints portal. The licensee portal and applicant portal have already been opened.

Dr. Weed commented that she never received an email blast regarding the use and misuse of templates. Executive Director DiMaggio stated that he will look into why Dr. Weed never received the email blast.

VIII. LEGAL REPORT (Discussion/For Possible Action) by Richard Dreitzer (Fennemore Craig, LLC) Board Counsel
