Mr. Nigam wanted to know why PA Lauren Riele withdrew her application.

Mr. Nigam made a motion to approve the licenses for the applicants as written above, excluding PA Lauren Riele; seconded by Dr. Casse. There being no further discussion, the Board unanimously approved licensure for the applicants as written above, excluding PA Lauren Riele.

VIII. EXECUTIVE DIRECTOR'S REPORT by Frank DiMaggio

Executive Director Frank DiMaggio stated that Thentia has created a portal for residency coordinators regarding special licenses for residents which allows residency coordinators to provide their residents with a special code to access the portal. Nikki Montano, our licensing supervisor, conducted a training on how to use the portal on March 8th, 2024, for the residency coordinators.

Executive Director DiMaggio stated that we have updated the CME requirements web page on our website and one of the licensees has already contacted Executive Director DiMaggio to let him know how he liked the new look of the CME page.

Executive Director DiMaggio mentioned that two of our Thentia contacts, including the customer success manager, have left employment with Thentia. This has caused a little bit of delay until Thentia can assign someone to fill these positions.

Mr. DiMaggio mentioned that, at the last Board meeting, Mr. Nigam had a question regarding the financials concerning the increase on the year-to-date report under the contract services. Last year showed \$44,500 approximately and this year showed \$79,400 approximately. Mr. Nigam's question was why such an increase. Executive Director DiMaggio had answered that it most likely had to do with computer services and Thentia. Executive Director DiMaggio investigated this issue further after last month's Board meeting and stated that the increase did not have anything to do with computer services or Thentia. Executive Director DiMaggio stated that when reviewing the budget for the prior fiscal year he could not find where legislative services from McDonald Carano were included. The current fiscal year's budget however does reflect fees for the legislative services from McDonald Carano, thereby causing the increase under contract services.

IX. LEGAL REPORT (Discussion/For Possible Action) by Richard Dreitzer (Fennemore Craig, LLC) Board Counsel

Mr. Dreitzer stated that there were three disciplinary matters on this meeting's agenda and that two of them did not proceed tonight and they will be moved to the Board's May meeting. There is a complex complaint that Mr. Dreitzer has finished and he hopes that an issue related to that case will be on the next Board meeting agenda as well.

Mr. Dreitzer stated that he has received a draft of the proposed regulations concerning anesthesiologist assistants back from the Legislative Counsel Bureau (LCB). Mr. Dreitzer remarked that he will shortly be in touch with LCB to discuss some modifications to the language proposed by the LCB.

X. LEGISLATIVE UPDATE (Discussion/For Possible Action) by Cassidy Wilson, Board Government Affairs/Lobbyist

Ms. Wilson stated that Susan Fisher of McDonald Carano has officially retired, but she will be available to Ms. Wilson on an as-needed basis for consultation.

Ms. Wilson stated that there were 950 people who filed as candidates for office in the State of Nevada. Ms. Wilson will attempt to meet with those candidates to get to know them, and to see what their priorities are.

Executive Director DiMaggio and Ms. Wilson meet at the end of last month to go over legislative priorities for 2025.

Ms. Wilson stated she will have an update for the Board at next month's meeting regarding the Southern Nevada Forum Committee meeting scheduled for April 16, 2024.
