Ms. Wilson mentioned that the candidate declaration deadline is mid-March 2026, so that after the deadline, she will have a better idea of what the field for elected candidates for the state legislature will look like, which would allow us to begin looking forward to the 2027 legislative session in terms of potential legislation and issues on the horizon.

**VI. *+CONSIDERATION/DISCUSSION/POSSIBLE APPROVAL OF SETTLEMENT AGREEMENT AND ORDER REGARDING GREGORY DYER, P.A., (Board may move to go into closed session pursuant to NRS 241.030 because the discussion will have to do with this licensee's character, alleged misconduct, professional competence, or similar items) (Discussion/For Possible Action) Carla Perlotto, President***

Ms. Micheline Fairbank provided a summary of the Settlement Agreement and Order in the matter of Gregory Dyer, P.A.-C, license number PA068, case number AD2207002. This matter arises from a complaint and subsequent board investigation into Mr. Dyer's prescription practices and record keeping. The investigation identified patterns including prescription of controlled substances without adequate documentation, failure to consistently review PMP queries, lack of informed consent, incomplete records, prescribing outside scope of expertise, and non-compliance with statutory requirements. Mr. Dyer acknowledged the factual basis for resolution and voluntarily entered into the settlement agreement. The disciplinary terms include payment of \$6,825.00 in investigative costs, a two-year probationary period, strict PMP compliance with monthly proof provided to the Board, completion of an 8-hour CME course on opioid and substance abuse disorder management, ongoing compliance with NRS Chapter 633, and reporting to the National Practitioner Data Bank.

Mr. Dyer addressed the Board, apologizing for his lapse in judgment and noting that since the end of 2023, he has not prescribed controlled substances in his role at his current employer. He explained that his practices were based on prior training but acknowledged changes in the standard of care.

Dr. Janda recused himself as the Investigating Board Member. Dr. Weed made a motion to approve the Settlement Agreement and Order as presented; seconded by Dr. Polce. There being no further discussion, the Board unanimously approved the Settlement Agreement and Order in this matter.

**VII. *+CONSIDERATION/DISCUSSION/POSSIBLE APPROVAL OF SETTLEMENT AGREEMENT AND ORDER REGARDING DAVID DAHL, D.O., (Board may move to go into closed session pursuant to NRS 241.030 because the discussion will have to do with this licensee's character, alleged misconduct, professional competence, or similar items) (Discussion/For Possible Action) Carla Perlotto, President***

Ms. Micheline Fairbank provided a summary of the Settlement Agreement and Order in the matter of David Dahl, D.O., license number CL0164, case number 25120009. This matter arises from disciplinary action by the North Carolina Medical Board and Maryland Board of Physicians involving a patient complaint concerning online weight loss treatment without adequate consultation or examination. The North Carolina Board issued a reprimand and ordered Continuing Medical Education (CME); The Maryland Board adopted the findings of the North Carolina Board and entered its own Order. Pursuant to NRS 629A.100 and the Interstate Medical Licensure Compact, the Board may deem such

actions conclusive. The settlement includes a public reprimand in Nevada, compliance with the North Carolina and Maryland orders, and payment of \$850.00 in investigative costs.
